SUMMER SHOE BARGAINS

Just a Little Time More

Summer shoes (oxfords and pumps) have sold unusually well this year—the bargains particularly. There are a few left and this next week we will have to make room for new fall shoes that are fast arriving. A few pairs have been added to some of the lots which are just the sizes short before.

All this makes the real value of the bargains better than ever. With another two months when low shoes will be the most comfortable, together with the fact that these same shoes may cost twice the present price, makes it a great advantage to buy one or more pairs now.

DUNHAM BROTHERS CO.

EAST JAMAICA.

Picnic Attended by 450.

About 450 persons attended the 6th annual union Sunday school picnic in Allen's grove Tuesday. The surrounding towns were well represented, many coming in automobiles and large wagons. Two games of baseball were played, other games enjoyed by the children of whom there was an unusually large number this year, and a pleasant social time was enjoyed by all. Ice cream was on sale by the West Townsend Sunday school.

Much credit is due the West Wardsboro band, which volunteered to render music free of charge. The selections were much enjoyed. Especially pleasing was the solo given by Paul Robinson, the youngest band player, who showed his marked talent strongly, being only eight years old.

C. O. Kimball presided at the picnic and in the afternoon called on several to speak. Miss May Gleason, an elocutionist of New York, was present and favored the audience with two well-chosen selections.

One of the pleasing features of the gathering is the opportunity it affords for the people to get together, thus bringing them into closer relationship with each other. It is hoped that there may be many more such gatherings.
